

GEL STAMP

PRE-INKED PRE-INKED PRE-INKED

ORIGINAL E D I T I O N

ENVIRONMENTAL EFFORT

A E Stamp mount uses environmental friendly plastic which is free from Polyvinylchlorid (PVC).

This material comply with the requirements of EU Directive and Underwriters Laboratories, Inc., on the restriction of the use of Certain Hazardous Substances.

Production Technology. This High-Technology Production System can produce stamp with crystal clear imprint, dries almost instantly on glossy paper with water-proof print out ink.

Valcanized gel with 2400 dpi film make the image or logo much sharper

All A E stamp products come with lifetime warranty (Except consumables or wrongly usage of stamp). If you have a problem with the stamp, we shall repair your stamp free of charge.
