COLOP is a certified ISO 14001 Environmental Management company

## COLOP® - we take responsibility

The Green Line is a unique line of stamps. The products are made predominantly from sustaining and recycled materials. A minimum of between 75% and 80 % recycled plastic is used. COLOP buys in these materials and then re-uses them.

In the course of the ISO 14001 certification the COLOP Green line was audited

Wood (used for the Classic Line handles) is renewable as well as a climate neutral raw material FSC certified (Forest Stewardship Council)

The packaging materials are made from 100% unbleached recycled cardboard
